

St Andrew's, Langley

Planning for 2024

Why pledge? A key part of Christian giving is financial responsibility. Making a pledge invites you to plan your giving and lets the church to know what to expect.

You are invited to think about your support of St Andrew's, as we begin to plan for 2024, and please make your giving to God's work a priority!

Remember, a pledge is a statement of your intention. We recognize that circumstances can change, and you can adjust your donations (upwards or downwards) as your financial situation changes.

Prayerfully consider increasing your regular giving for the coming year.
